WHAT'S INSIDE

SCENTED CANDLES

When you ignite one of our Native candles, you're in for an experience that'll make your senses jump for joy. Our candle scents aren't just run-of-the-mill candle scents; they're a first-class ticket to the Eastern Caribbean.

REED DIFFUSERS

Native Caribbean's Non-Toxic Reed Diffusers are among our most popular flameless alternatives. They are a long-lasting option for those who enjoy our scents, while their sleek and timeless aesthetic makes it easy for them to fit in almost any room.

ROOM SPRAYS

Elevate Your Space with Our Room Sprays!

Experience the power of our room sprays - designed to infuse your surroundings with captivating scents that linger for hours. These stylish 8oz bottles are your secret weapon for a quick refresh.

WAX MELTS

Native Caribbean's Wax Melts are an excellent option for those who enjoy our scents but are too busy to monitor an open flame. Made with our proprietary soy and coconut wax blend, these tarts are 100% vegan and infused with many of our popular and beloved scents.

IT'S ALWAYS SUMMER

IN THE CARIBBEAN

Step into our Always Summer Collection, where we've bottled the never-ending Caribbean sun. These candle scents will infuse your home with brightness, freshness and warmth, 365 days a year. Indulge in the tantalizing aromas of sun-ripened tropical fruits, the authentic seaside breeze, organic delights from bustling farmer's markets, refreshing cocktails and mocktails and the lively energy of the Caribbean's hottest summer festivals. Welcome an endless summer into your life, no matter the season!
